Old Business

Minutes approved from January 3, 2017. Continued discussion on the Association Website. The site currently has bio's and contact information up, still working on getting fire death class information on the site along with adding a tab for commerce.

New Business

A T-shirt design was presented and discussed. The logo/design will be researched further along with pricing, which will be presented at next meeting in order to be voted on. The option to also have stickers created was also discussed and will also be researched further prior to being presented at the next meeting.

The following future dates were proposed to have members meet in order to help re-build the thermocouples needed for the Fire Death Course. (March 18, April 1, April 22, May 6, May 13, June 3) The dates will be sent out to all Association Members along with times and location information.

Training/Recent Fires/Open Floor

No fires were reported. Refresher training in handcuffing techniques to be conducted after the meeting and future training paired with Association meetings will be continued. Training on hording fires will be included with the May Association Meeting.
