On April 2nd, 2019, the Collin County Fire Investigators Association will be hosting the Chief Felony Prosecutor for the Collin County Special Prosecutions Unit, Doug Millican. The Special Prosecution Unit coordinates and prosecutes financially motivated criminal activity, organized crime, public integrity matters, and other complex or sensitive cases assigned by the Collin County Criminal District Attorney. Other responsibilities include supporting local and state law enforcement operations, coordinating parallel prosecutions with federal law enforcement authorities, providing investigative services to facilitate asset forfeiture cases, and assisting trial teams with prosecutions involving telecommunications and/or computer forensics issues.
