The Collin County Fire Investigator's Association cordially invites you to attend a highly sought-after training session presented by Ed Nordskog, a veteran arson investigator and author. Investigator Nordskog (retired) was employed with the Los Angeles Sheriff's Office as a full time arson investigator since 1997 and has authored six books related to arson. He has investigated over 2100 arson cases in his career resulting in 300+ arson related arrests.

This training provided with a generous donation from:
